Shutting Down - Chase of the Of Refineries

MORE EVIDENCE OF SUGAR TRUST METHODS.

CREATING A MONOPOLY

Defense Vigorously Opposes New Tack of Prosecuting Attorney and Claims

It Will Prolong the Trial 6 Months.

New York, March 20—The trial of John E. Parsons, Washington B. American Sugar Refining company under the criminal clause of the Sher-man law, took a turn today which may prolong it for many months. prospect loomed up when District At-torney Wise began to submit evidence intended to show that for a long period the policy of the trust was to pur-chase and close down rival sugar plants in order to monopolize the in-

dustry. Former Secretary On Stand.

Charles R. Helke, former secretary peal, was the witness whom the dis trict attorney placed on the stand to-day to prove this policy, but Heike's testimony had not fairly begun, when counsel for the defense raised vigor-

Shut Down Refineries.

In the hotly contested argument which followed, the prosecutor said that it was his right to offer such evi-dence in order to show the intent of the "sugar trust" in obtaining control of the Pennsylvania Sugar Refining company, the acquisition and closing down of which form the basis of the indictments in the present trial. He meant to show by Heike, he said, that the American Sugar Refining company closed down refineries whenever they interfered with its business and that it gathered in between thirty and forty refineries and operated only four.

Will Prolong Case Six Months. James M. Beck of counsel for the defendants, after ascertaining that the plants in question were not in effect discontinued, because their machinery was simply more from the countries. chinery was simply moved, "to a more concentrated point," said that to ad-mit the evidence would prolong the case six months and served notice that every point would be contested. offered to furnish the government with a complete list of refinerles bought and owned by the American Sugar Refining company, or in which the com-pany had a stock interest. Mr W.ise inally obtained the consent of Judge Hand to the admission of the convict
